

Marking System

An objective grading system is used. All grades are a percentage where 100% is full mark. Records are kept with the teacher. At the end of each term the teacher provides the grading for each of the followings: Conduct, class participation, written class works, homework, weekly quizzes and the tests.

Example:

<i>Student Name: Ahmad Hassan</i>		<i>Student ID: 123-02-00001</i>	
Item	Percent	Letter Mark	Comment
Conduct	75%	C	Estimate and update weekly for improvement. Inform students.
Class participation	90%	A-	This is not participation in quizzes or tests. This is student involvement with teacher to answer and/or ask smart questions and written works in class.
Homework	70%	C-	You should have a spread sheet for all homework with the mark.
